Don't mean to be pushy, but what are the next steps? Have submitted the self-nomination form to Jennifer. I gather it does not go anywhere until after the deadline for submittal next week. Have done a little research on the other candidate to date and looks like he is moving forward on social media efforts.

Let me know what I need to do next and when. I am new to the elected official arena, so will need input on the do's and don'ts.

Thanks for your support.

Thanks, Don Sherman
